### COURSE SUMMARY

The Certificate IV in Hairdressing (SHB40216) is an extension qualification for Qualified Hairdressers who want to take their career to the next level and have an interest in working on creative projects.

This course will provide you with the opportunity to build on your skills with advanced hairdressing techniques and express creativity by planning and executing photography hair and makeup looks. It will build on your leadership and technical skills and provide you with the tools required to provide technical leadership to an in-salon team.

Successful completion of this qualification may lead to a career as a technical advisor for product companies, an in-salon Senior Stylist or Freelance Session Stylist for fashion runways, print publications, TV or film projects.
