CREATIVE
BY CLIP JOINT

Creative by Clip Joint is a series of evening Look & Learn sessions designed to inspire creative exploration, expand technical knowledge and encourage fresh thinking beyond the everyday salon environment.

Led by Clip Joint educators and Creative Team members, these sessions are tailored to both experienced hairdressers and emerging stylists looking to push their creativity and explore new approaches to their craft. Covering specialised topics such as texturising, curly hair, advanced clipper work and creative cutting and styling techniques, each session combines live demonstrations, technical insight and open discussion.

Designed to evolve alongside emerging trends and industry demands, Creative by Clip Joint offers an opportunity to explore new ideas, challenge traditional techniques and stay connected to the ever-changing world of hairdressing.
