CUT
BY CLIP JOINT

For the experienced hairdresser seeking to explore the '**why**' behind their craft, understand the outcomes of every decision, and transform foundational concepts into creative results. Rooted in a legacy of knowledge, technique and creative excellence, Cut by Clip Joint is an immersive one-day masterclass dedicated to the art and philosophy of precision haircutting.

Delivered by the Clip Joint Creative Team, this experience takes you beyond the technique, exploring the fundamentals of why before discovering the how.

Through a combination of creative insight, technical demonstrations and practical application, you will explore the principles of shape, structure, balance and suitability, and how these foundations influence every considered cut.

Discover how foundational knowledge can unlock creative possibilities, empowering you to approach your work with greater intention, confidence and technical clarity.
