CLIP JOINT™
EDUCATION

STYLING
BY CLIP JOINT

Runway, editorial and backstage experience, Styling by Clip Joint is an immersive one-day masterclass designed to elevate your styling skills. This masterclass takes you behind the scenes to explore the techniques, tips and tricks used by industry professionals to create polished, long-lasting styles with efficiency and confidence. Discover the importance of preparation and building the right foundations for every look. From understanding hair texture and product selection to mastering the tools and techniques that deliver lasting results, learn how to work smarter without compromising your creative vision.

Explore the hero products that make a difference, the essential tools every stylist should have in their kit, and the practical techniques that allow you to adapt, create and deliver under pressure.

Through creative demonstrations, industry insights and practical application, gain the confidence to approach styling with greater speed, versatility and intention — whether you're working behind the chair, backstage or on set.
